

## Possible 2023 FAQ for APJ Attendees

### About Possible

#### What is Possible?

Possible 2023 is a series of global three-day events for decision-makers ready to fuel the future of their business with innovation AI/ML, data and cloud technology.

#### When and where is Possible 2023?

Possible Singapore will be held in Shangri-La Singapore from 21 to 23 August.

#### Who should attend Possible 2023?

Leaders and influencers in business, technology and analytics should attend Possible.

#### Is there a conference mobile app?

Yes. One week prior to the event instructions to download the mobile app will be sent to all registrants.

#### What is the difference between content offered over the 3 days at Possible 2023?

- Day 1 includes an event reception with opportunities to meet your peers and Teradata's executive team and partners.
- Day 2 will be packed with insights, strategy and thought leadership around ways to use data more effectively.
- Day 3 will be hands-on. Expect deep-dive demos into platform technology that underlines the more technical aspects of success with data.

#### Will on-demand content be available?

Selected in-person sessions are available on-demand after the event. Please visit the event website <https://www.teradata.com/Events/Possible> for updates.

### Sponsorship

#### How can I learn more about sponsors?

As sponsors join the Program, you can find more information about them at <https://www.teradata.com/Events/Possible>

#### Do you have sponsorship opportunities?

Yes, please contact [markesha.hillclausell@teradata.com](mailto:markesha.hillclausell@teradata.com)
