

Announcing Teradata Vantage SQL Basics Knowledge Assessment

Teradata Customer Education team is pleased to announce that the **Teradata Vantage SQL Basics Knowledge Assessment** is open for our customers. It is designed to provide feedback on your knowledge of Teradata SQL. The Knowledge Assessment covers the topic in both the **web-based** and **virtual live instructor led** Teradata Vantage SQL Basics courses.

To know more about instructor led trainings and pricing reach out to customer.education@teradata.com.

Thank You for Joining Our 2023 Virtual User Group (VUG) Online Classes

Our sincere gratitude to all of you attended a Virtual User Group Session(s) in 2023.

In the coming year, we have plans to expand our training offerings, introducing advanced modules and interactive sessions. Our goal is to provide you with continuous learning experiences that align with industry trends and meet the evolving demands of your professional landscape.

Stay tuned for updates on our upcoming 2024 training schedule, and if you would like to get in touch with us, please don't hesitate to reach out to us at td.vug@teradata.com.

Those of you who may have missed some sessions or want to revisit the valuable content can now **access all the class recordings on demand**. Feel free to listen to the recordings at your convenience.

Here are some of the recent recordings you might be interested in:

- **Teradata VUG: TD 101 - How to Write Better SQL**
- **Teradata VUG: TD 101 - Explaining the Explain**
- **Teradata VUG: Data Scientist - Generative AI from Data to Value through Teradata Vantage**
- **Teradata VUG: Data Scientist - Sustainability as a Data Problem**

Teradata Certification Master Story Spotlight

Mahendra Mhaske, a Teradata Performance Analyst, recently achieved our Vantage 2.0 Master standing! We congratulate Mahendra for this outstanding achievement and here is a quick testimonial on how it helps him today:

“I decided to pursue Vantage 2.0 Master Certification to learn new capabilities of the Teradata Vantage Data and Analytics platform and validate my Teradata knowledge. Data engineering and Architecture exams helped me build a Developer and Architecture perspective when providing scenario solutions. Teradata Vantage 2.0 Master completion gives me additional confidence while interacting with clients and participating in brainstorming sessions to provide effective solutions.”

Want to know more about becoming a Teradata Certified Master?

Vantage Master 2.0 certifications are obtained by earning the following certifications:

- [Teradata Vantage Administration](#)
- [Teradata Vantage Architecture](#)
- [Teradata Vantage Data Engineering](#)

Vantage Data Science Master certifications are obtained by earning the following certifications:

- [Teradata Vantage Analytics](#)
- [Teradata Vantage Data Science](#)
- [Teradata Vantage Data Engineering](#)

For any questions and/or support, please do not hesitate to reach out to certification.teradata@teradata.com.

Hands-On Virtual Classes in 2023

Find a class in your time zone, and check back for added sessions:

[Americas](#) | [Australia](#) | [Europe](#) | [South Asia & Korea](#)

** Virtual Instructor-Led classes are live with hands-on labs and have an associated cost.*

For scheduling, pricing, or to inquire about a different class, please contact customer.education@teradata.com.
